

Cheryl Hunt Years Playing Pickleball: 4

Why is being part of the AAZPC Board important to you?

I enjoy volunteering and being a productive member of my community. As a board director I feel I am making a difference in growing the sport and our club.

Will you be engaged – giving your time, energy and resources to support the work and mission of the AAZPC?

As a current Board Director I have been very engaged in many AAZPC activities including Opening Day, Saturday Night Lights and Open Club Play. I am very much looking forward to continuing to share my time and support to the club and our community.

What do you believe are the two biggest opportunities for the AAZPC?

Bringing people together in a healthy and super fun activity and building the Pickleball environment for people of all ages and skills to participate in sports and exercise.

What ideas do you have that will help increase and strengthen our membership?

I have been the Chair of the Open Club Play committee for over a year now. The committee and our hosts have definitely helped to grow our membership by creating an inviting environment where players of all skill levels have the opportunity to participate and enjoy the courts, the sport and the community of people.
