

AAZPC PICKLEBALL DEN Shootout Guidelines:

- Sign-Up Sheets will be posted every two weeks.
- Slots are limited, so if you've signed-up but can't make it, remove yourself as early as possible so others can participate.
 - A Waitlist is available when courts are full.
 - If you are next on the waitlist and a player drops before the 12 hour window you will automatically move to the playlist.
 - NOTE: Shootouts are blocked for 2 hours (6-8am) (8-10am), if you can't commit to 2 hours, do not sign-up.
- Sign-up Sheets are locked 12 hours before play for additions or cancellations.
- For Cancellations inside the 12-hour window...
 - Try to find a substitute player:
 - If a waitlist, contact next inline (use AAZPC Members Directory for contact information) and then contact the Manager to make the changes.
 - If you can't find a substitute player, notify the Manager as soon as possible.
 - **Only the Manager can make changes to the Sign-up Sheets inside the 12-hour window, so CONTACT the Manager as soon as possible.**
 - DON'T be a NO-SHOW or LATE-SHOW!
 - **A NO-SHOW or LATE-SHOW will move you to the "Low" Sign-Up Sheet Priority.**
- Shootouts **START ON TIME**, plan to arrive 15 min early for warmup.
- DEN players are expected to maintain a "Player Ranking Percentage" of at least 50% to keep play competitive. At the end of each quarter (Mar, Jun, Sep, Dec) if your percentage is below 50% you will drop down to the next level group for the next quarter...i.e., 3.5 to 3.0 and 3.0 to Open Play. Select PLAY - SHOOTOUT - PLAYER RANKING to view.
