1. Why is being part of the AAZPC Board important to you?
As AAZPC Webmaster, I believe that being a Board member would improve the effectiveness of the website and improve communications. Obviously, this type of commitment is important to me.
2. Will you be engaged, giving your time, energy and resources to support the work and mission of the AAZPC? I am already very committed serving as Webmaster, Court Scheduler, and Manager of the SNLs. I actually believe that this will make my job easier. I would also like to formalize a Web Committee to cross-train on the WA application.
3. What do you believe are the two biggest opportunities for the AAZPC?
 - a. Better Communication
 - b. More Instruction Programming
4. What ideas do you have that will help increase and strengthen our membership?
 - a. Using the Website as a tool for future members – need to brainstorm
 - b. Offering more instructional types of activities
 - c. Future offering of affordable indoor pickleball
